

NOTICE OF CLOSURE & TRANSFER

Due to COVID-19 and the effect it has had on the economy we are sad to announce the closure of FF10 Henderson effective Friday, 01/29/21 at 6pm. The mandatory closures, reduction to 25% capacity, mask mandates, and peoples general fear of health clubs have made it impossible for this location to continue.

We have enjoyed serving the Henderson community and we will miss all our amazing members. Fortunately, we have arranged to have all memberships of this location transferred to EōS Fitness on Stephanie St, with no changes to your current FF10 membership fees. Any questions about PEAK Performance Personal Training sessions, should be directed to Mike Perez at: mperez@ff10gym.com

Your new EōS Fitness features a wide variety of amenities. Check their website for complete details.
